

UNDERGROUND CORROSION TRAINING TO BE OFFERED AT THE 2009 AUCSC

(Morgantown, W.Va.)... The 54th annual Appalachian Underground Corrosion Short Course (AUCSC 2009) will take place May 19-21, 2009 at West Virginia University in Morgantown, W.Va. Detailed information & on-line registration is available at www.aucsc.com.

The AUCSC offers over 100 hours of basic, intermediate, and advanced training providing attendees with technical information about the causes and prevention of corrosion on underground structures. 1.6 CEUs can be earned and applied towards NACE Recertification and Professional Development hours.

Advance registration for the entire AUCSC 2009 program is \$110.00 in advance and \$140.00 onsite. **Those interested in attending should contact Nancy Ireland at AUCSC for registration details. Phone: (304) 293-5695 x2100, Fax: (304) 293-5708, E-mail: Nancy.Ireland@mail.mvu.edu.**

If you would consider listing or linking our Web site address, www.aucsc.com, on your Web site it would be appreciated.

Thank you for your consideration.

George Krewson
AUCSC Publicity Chairman
